

Located in Bushwick, Dune Studios Brooklyn is a full service photography studio and event venue. Featuring six ground level studios, three cycloramas, drive in access and a post-production department; it is the perfect location for any photo shoot or event, large or small.

With 20 foot ceilings and a combined footage of 13,000 square feet, Dune Brooklyn will also feature a coffee bar and client lounge area, private conference rooms, on-site equipment rentals, and most importantly the same Dune experience found at our Soho location.

More information and detailed studio specifications are available upon request.
